

Alex Priest

Private Tutor | Undergraduate Student

I'm a computer science graduate, currently studying an undergrad science degree in physics, maths, and chemistry :)

Topics I can tutor:

Chemistry:

CHEM1010: Chemistry 1A
CHEM1011: Chemistry 1B
CHEM1201: General Chemistry

Physics:

PHYS1101: Physics 1A
PHYS1102: Physics 1B
PHYS1701: Physics for the Modern World
PHYS1702: Physics for Health Sciences
PHYS2702: Classical Physics

Mathematics:

MATH1121: Mathematics 1A
MATH1122: Mathematics 1B
MATH1701: Algebra & Functions
MATH2701: Principles of Analysis
MATH2702: Linear Algebra & Diff. Eqs.
MATH2711: Multivariable Calculus

Computing:

COMP1002: Fundamentals of CI
COMP1102: Computer Programming 1
COMP1711: Database Modelling & Information Management
COMP2030: Human Factors for Interactive & Web-Based Systems
COMP2711: Computer Programming 2
COMP2712: Neural Networks & ML
COMP2781: Computer Mathematics
COMP3712: Computer Programming 3
COMP3722: Theory & Practice of Comp.
COMP3742: Artificial Intelligence

Across the uni:

ENGR1201: Electronics
ENGR1401: Professional Skills
ENGR1762: Networks & Cybersecurity
ENGR2792: Software Sys. Reqs. & Design
NMCY1001: Academic & Prof. Numeracy

Availability:

Contact me

I am looking to teach:

Individuals / Small groups (2-5 people) / Large groups (5+ people)

Rate per student:

\$35/hr, or \$15/hr each as part of a group

Locations I can tutor at:

FLASC Common Room (PHYS006), Bedford hub, Tonsley campus or online
